

# **CARDWELL BAY SAILING CLUB**

## **2019 YEAR BOOK**

## What's New This Year?

Hi CBSC members

We would like to welcome all members to our cruises and races, we appreciate that racing is not every body's cup of tea and would like to encourage members who do not race to come along to our passage cruises/ races either racing or just tagging along. When we arrive at our destination there is usually a good social gathering.

To encourage members to attend our musters the club will even pay your berthing at the Marinas!

We now have a members forum which is hoped will promote our social events at our cruises/ races.

Our club website is [www.cbsc.org.uk](http://www.cbsc.org.uk) check out the news page for up and coming events.

This year we will be having our opening muster to Holy Loch Marina on Sat 27<sup>th</sup> April with an overnight stay in the marina. (Which you arrange yourself). On Sunday a leisurely cruise back home.

18th May Kip Race/ Cruise I hope we can have a large turnout for our race/ cruise. Let me know the numbers well in advance. We may have a BBQ or eat in the Chart room depending on numbers.

1<sup>st</sup> June Port Bannatyne cruise / race.

8<sup>th</sup> June Tighnabraich cruise / race. Crews to meet ashore, usually at Kames Hotel

Our yearly Fun Regatta and Barbeque this year is on Sat 10<sup>th</sup> Aug. This has proved to be a popular event in the past so please contact me early so I know what the numbers are for food. A notice will be displayed in the clubhouse closer to the event.

The closing muster is to Holy Loch Marina Sat 31<sup>st</sup> Aug.

With the Closing Muster to Holy Loch Marina, I would hope to have a large turnout for this final sailing event of the year. We can all easily get there either on our own boats or possibly by ferry, all meeting up in the hotel for lunch. If possible please attend.

Our Club is a small and friendly club, but the success of the club is down to the support that the members and friends give to our events, if possible please attend when you can. A special thanks to all who do regularly attend.

Happy Sailing!

Duncan F Andrews  
Sailing Secretary

In alteration to RRS 44 the penalty is reduced to one 360° turn.

**NARROW CHANNELS** Attention is drawn to the International Regulations for the Prevention of Collision at Sea, 1972. Particular notice should be taken of Rule 9b which states 'a vessel of less than 20 metres in length or a sailing vessel shall not impede the passage of a vessel, which can safely navigate only within a 'Narrow Channel or Fairway'. The Course Charts contained in the Appendices show 'Recommended Channels' marked as dotted lines. Whilst racing or on passage in the Firth of Clyde north of Cumbrae Head yachts must regard any such 'Recommended Channels' as a 'Narrow Channel' within the meaning of the IRPCS 9b.

Furthermore Clydeport Operations Limited has decreed that any waters of the Firth of Clyde where vessels by virtue of their size, draught, speed or proximity to land, hazards and other vessels are unable to manoeuvre freely must be regarded as a 'Narrow Channel'. This also applies in waters of the Queen's Harbour. Clydeport Operations Limited waters are to the south and west and Queen's Harbour waters to the north of a line from Rosneath Point to a point approximately halfway between Craighendran Pier and Ardmore Head, (Admiralty Chart 1994 refers). Whilst racing, any yacht which is unable for reasons of lack of wind or other cause, to sail clear of a large power driven vessel shall start her engine and/or paddle in order to clear and thereafter shall report full details to the Race Committee.

Competitors are reminded of the Clydeport Operations Limited Byelaw which prohibits yachts and other craft from manoeuvring within 100 metres of any ferry terminal. Particular regard shall be paid to this when in the vicinity of the Caledonian MacBrayne and Western Ferries facilities at Gourrock, Dunoon, McInroy's Point and Hunter's Quay.

### **PROTESTS AND REDRESS APPEALS**

All Protests and Redress Appeals must be lodged with the Race Officer no later than one and a half hours after the last boat has finished the race. The protests must be lodged in writing. If exceptional circumstances exist, then this time limit may be extended.

Skippers are reminded that all sub-sections of Rules 61 and 62 must be complied with if a Protest is to be heard.

Protest Forms can be obtained from the Race Officers Case.
